**Subject:** History uncovered

Solzhenitsyn was not only a great writer, but a conscientious historian. This fascinating story is the result of an incredible amount of historical research. It is a gift to the world, at last available to English-speakers. The reader should also be commended for taking on this monumental task. A great job!

**Subject:** Horribly edited.

As much as I want to listen to all of this, there's this hum constantly in the background. What an unfortunate loss to be able to download 4gb of white noise over an amazing book. Chapters are also not in respective places.

**Subject:** A Huge Task

An accomplishment first to be written, second to be released, third to be translated, fourth to be recorded. Good clear voice. Chapter 21 I do not see.
